Indigenisation of defence items

4017. MISS SAROJ KHAPARDE: Will the Minister of DEFENCE be pleased to state:

(a) whether the Directorate of Technical Development and Production undertakes the development of indigenous sources for specialised items of air borne ground equipment, as an import substitution effort; and

(b) if so, what are the details of the significant areas where indigenisation and import substitution has been undertaken during the last three years?

THE MINISTER OF DEFENCE (SHRI SHARAD PAWAR): (a) Yes, Sir.

(b) Indigenous sources have been developed in the areas of air-borne equipment and stores, aviation electronics, electrical and instruments, ground equipment pertaining to the general engneering field, aeromedical and personal safety equipment, etc.

Damage control initiatives in space programmes

4018. SHRI SYED SIBTEY RAZI: Will the Minister of DEFENCE be pleased to state:

(a) whether it is a fact that Defence experts had favoured damage control initiatives in space programmes; and

(b) if so, what is Government's reaction thereto?

THE MINISTER OF DEFENCE (SHRI SHARAD PAWAR): (a) and (b) No such proposal regarding damage control initiatives has been made by experts of Ministry of Defence.

Collaboration with Russia

4019. SHRI SOM PAL:
DR. NAUNIHAL SINGH:

Will the Minister of DEFENCE be pleased to state:

(a) whether some offers from Russia for jointly producing military armaments, equipments and aircraft have been received;
